Summer Camp (C)

Week 1 - AM session - KG-G5 - Cultured Global Explorers

One Country. One Week. A World of Discovery. Cultured Global Explorers Camp invites students to travel the world without leaving campus. Each week, campers explore one country through hands-on activities that bring culture to life using food, art, games, music, and storytelling. This is a high-touch, immersive experience designed for curious learners who enjoy creating, tasting, building, and discovering how children around the world live and play. Each week features a different country. Families may register for one or multiple weeks. Each week is a stand-alone experience. (Proposed countries may include: India, Japan, Nigeria, and Mexico.)
