

Westlake Academy: Camp Forge

STEM (C)

## Week 1 - PM session - KG-G5 - Math & Science Detectives

Get ready for an exciting week of discovery, creativity, and hands-on learning at our Science & Math Detectives Camp! Designed for rising 1st-5th graders, this engaging camp helps students build confidence in science and math concepts through fun, interactive activities, experiments, and challenges. This camp is perfect for students looking to sharpen their skills before the next school year while having a blast!

**Medical Info:**

I, the undersigned parent or legal guardian, give permission for my child to participate in Westlake Academy athletic activities/camps and certify that my child is physically able to participate. In the event of illness or injury, I authorize Westlake Academy staff or coaches to seek emergency medical treatment if I cannot be reached. I understand that I am responsible for any medical expenses incurred. I also grant permission for Westlake Academy to photograph or video my child during activities and use these images for school publications, social media, and promotional materials.
