

Westlake Academy: Camp Forge

STEM (C)

## Week 4 - PM session - G1-G8 - Adventures of Science Club

Learn about the science involved in solving crimes; the techniques of a crime scene investigator like on television and in movies. Learn about fingerprinting, blood types, DNA, and much more. At the end of the week, students will test their skills by processing a crime scene and solving a crime by using detailed science techniques.

**Medical Info:**

I, the undersigned parent or legal guardian, give permission for my child to participate in Westlake Academy athletic activities/camps and certify that my child is physically able to participate. In the event of illness or injury, I authorize Westlake Academy staff or coaches to seek emergency medical treatment if I cannot be reached. I understand that I am responsible for any medical expenses incurred. I also grant permission for Westlake Academy to photograph or video my child during activities and use these images for school publications, social media, and promotional materials.
