

Westlake Academy: Camp Forge

STEM (C)

## Week 3 - Camp Forge PM session - G3-G5 - Coding with Book Covers

Bring stories to life through coding in this exciting camp for grades 3-5! Students will design an interactive book cover using sprites, text, and creative programming to showcase characters, setting, and key story elements. Young coders will combine imagination and technology to build a digital cover that doesn't just look amazing—it interacts with the reader! Perfect for storytellers who are ready to create with code.
