

Westlake Academy: Camp Forge

STEM (C)

## Week 2 - Camp Forge PM session - G3-G8 - Coding with Poetry

Discover where computer science meets creativity! In this engaging Code & Poetry Summer Camp for grades 3-8, students will blend coding and language arts to craft interactive poems that come alive on the screen. Campers will use code to express mood, tone, and emotion—turning their words into dynamic digital experiences. Perfect for young creators who love to write, imagine, and build!
