

Westlake Academy: Camp Forge

Summer Camp (C)

## Week 2 - Camp Forge PM session - G3-G8 - Friendship Bracelet Making

Learn how to make Friendship Bracelets in a colorful and creative camp experience where students design and craft bracelets using embroidery thread. Campers will learn classic knotting patterns, experiment with color combinations, and create unique designs to wear and share. This hands-on activity builds patience, focus, and fine motor skills while encouraging creativity and friendship. By the end of the session, each camper will have handmade bracelets to keep or gift as special reminders of camp connections.
