

Westlake Academy: Camp Forge

Summer Camp (C)

## Week 2 - Camp Forge AM session - G2-G4 - Ocean Guardian Kids Club

The purpose of the NOAA National Marine Sanctuaries Ocean Guardian Kids Club is to encourage children to explore their natural surroundings to form a sense of personal connection to the ocean and/or watersheds in which they live. The Kids Club offers children a stimulating opportunity to express their insights, observations and understanding of their natural environment through the creation of original stories, poetry and visual art. At the end of the week, students will mail their membership submissions to NOAA to receive their official membership cards.
