

## Week 1 - Camp Forge AM session - G6-G12 - Creative Writing

An exciting, imagination-filled experience where young writers explore storytelling in all its forms.

Throughout the week, students will create original short stories, experiment with poetry, develop dynamic characters, and build vivid settings. Through fun writing prompts and guided workshops, campers will strengthen their voice, boost their confidence, and discover new ways to express their ideas. By the end of the week, each student will have polished pieces to share and the tools to continue their creative journey.
