

Westlake Academy: Camp Forge

Summer Camp (C)

## Week 1 - Camp Forge AM session - G5-G12 - Crochet Club

Crochet Club encourages creativity, patience, and focus while giving students a relaxing and rewarding new skill to enjoy long after camp ends. Throughout the week, students will practice foundational skills such as holding a hook, creating stitches, reading simple patterns, and completing beginner-friendly projects. As their confidence grows, campers will work on small creations they can proudly take home.
